

7 Color LED Face Mask with Neck Attachment & Remote

Description

7 Color LED Face Mask with Neck + Remote (Minimum- 12 Pcs)

Transform Your Skin with Professional Salon-Grade Therapy at Home!

Why spend thousands on expensive dermatologist visits when you can achieve glowing, youthful skin from the comfort of your bed? Our 7 Color LED Face & Neck Mask is the ultimate all-in-one solution for every skin concern. Designed with an ergonomic neck attachment, this mask ensures your neck gets the same anti-aging treatment as your face.

Why Choose Our 7-in-1 LED Beauty Mask?

Total Coverage: Includes a dedicated neck plate to target • turkey neck, • fine lines, and sagging skin.

7 Treatment Colors: Each light wavelength penetrates at different depths to solve specific skin issues (see below).

Safe & Non-Invasive: 100% chemical-free and UV-free. No downtime, no pain—just results.

Smart Remote Control: Easily adjust the light intensity (5 levels) and set a timer (up to 60 minutes) with the included handheld remote.

One Mask, 7 Powerful Benefits:

Red Light (630nm): The "Anti-Aging" light. Boosts collagen production, reduces wrinkles, and firms skin.

Blue Light (470nm): The "Acne Fighter." Kills bacteria and calms inflammation to prevent breakouts.

Green Light (520nm): The "Balancer." Even out skin tone and treats hyperpigmentation.

Yellow Light (590nm): The "Energy Booster." Improves oxygen exchange in cells to reduce redness and swelling.

Purple Light: Dual-frequency light that combines Red and Blue for acne scar repair.

Cyan Light: Enhances cell energy and promotes metabolism.

White Light (Laser): Penetrates deepest to accelerate tissue metabolism and tighten sagging skin.
