

Fayseena D-Tan Face Pack with Coffee 300g

Description

Fayseena D-Tan Face Pack with Coffee Tan Removal & Glowing Skin 300g

Fayseena D-Tan Face Pack with Coffee is specially formulated to remove tanning, dullness, and dark patches caused by sun exposure. Enriched with natural coffee extracts, it deeply cleanses the skin, unclogs pores, and gently exfoliates dead skin cells, giving you an even-toned, radiant, and refreshed look. Regular use helps reduce pigmentation, improves skin elasticity, and restores your natural glow. Suitable for all skin types, this D-Tan pack is a perfect addition to your skincare routine for clear and healthy-looking skin.

Advantages:

- Removes tan and sun damage effectively.
- Enriched with natural coffee extracts for deep exfoliation.
- Brightens dull and tired-looking skin.
- Reduces pigmentation and dark spots.
- Improves skin texture and elasticity.
- Suitable for all skin types (men & women).
- Gives instant freshness and glow after use.

Product Uses:

1. Cleanse your face with water or mild face wash.
2. Apply a generous layer of Fayseena D-Tan Face Pack evenly on the face and neck.
3. Leave it on for 15â??20 minutes until dry.
4. Rinse off gently with lukewarm water.
5. Use 2â??3 times a week for best results.
