

## Fayseena D-Tan Scrub Face Pack with Coffee 100g

### Description

Fayseena D-Tan Scrub Face Pack with Coffee 100g Tan Removal & Glowing Skin 100g

Fayseena D-Tan Scrub Face Pack with Coffee is a powerful 2-in-1 skincare solution that combines the benefits of a scrub and a face pack. Infused with natural coffee extracts, it gently exfoliates dead skin cells, unclogs pores, and removes stubborn tan caused by sun exposure. The nourishing formula reduces pigmentation, brightens dull skin, and restores your natural glow. Suitable for all skin types, this scrub face pack gives you a refreshed, smooth, and even-toned complexion.

### Advantages

- Dual action: works as both scrub & face pack.
- Effectively removes sun tan & dullness.
- Coffee extracts deeply exfoliate & detoxify skin.
- Brightens and enhances natural skin tone.
- Reduces dark spots, pigmentation & uneven skin.
- Improves skin texture and gives instant glow.
- Suitable for men & women, all skin types.

## Product Uses

1. Cleanse your face with water or a mild face wash.
2. Apply a small amount evenly on face & neck.
3. Gently massage in circular motion for 2-3 minutes to exfoliate.
4. Leave it as a face pack for 10-15 minutes.
5. Rinse off with lukewarm water.
6. Use 2-3 times a week for best results.
