

Fayseena Ubtan Body Pack for Glowing Skin 25g

Description

Fayseena Ubtan Body Pack for Glowing Skin | Natural Herbal Skin Brightening & Tan Removal Powder | Suitable for All Skin Types

Fayseena Ubtan Body Pack is a **100% natural herbal skincare remedy** made with traditional ingredients like turmeric, sandalwood, and natural herbs. Specially formulated to **brighten, nourish, and rejuvenate your skin**, this ubtan powder works as a natural exfoliator, removes dead skin cells, reduces tanning, and leaves your skin soft, smooth, and glowing.

Suitable for **all skin types**, it helps in reducing unwanted hair growth and keeps your skin radiant naturally. Ideal for both men and women, this ayurvedic ubtan is free from chemicals, making it a safe and effective choice for your skincare routine.

Advantages (Key Benefits)

- 100% Natural & Herbal Skin Remedy
- Brightens skin and gives a natural glow
- Keeps skin soft, smooth & moisturized
- Helps reduce tanning and pigmentation
- Reduces unwanted facial & body hair growth
- Suitable for all skin types (Men & Women)

- Free from harsh chemicals & parabens

Product Uses (How to Use)

1. Take **1 tablespoon of Fayseena Ubtan Body Pack**.
2. Mix with **rose water, milk, or plain water** to form a smooth paste.
3. Apply evenly on **face, neck, hands, or body**.
4. Leave it for **10-15 minutes** until dry.
5. Gently scrub off and wash with lukewarm water.
6. Use **2-3 times a week** for best results.
